Dear Ms. Moore:

Enclosed are additional documents located by Newmont USA Limited which are responsive to EPA's CERCLA section 104(e) request related to the Haystack Mines Site in McKinley County, New Mexico. Newmont submitted written responses and documents to EPA on October 7, 2015. As explained in its written responses, a small number of documents required additional time for copying, and those documents are now being provided.

Sincerely,

Joseph G. Middleton
